EDUCATION

Kalyani Government Engineering College, West Bengal
Bachelor of Technology in Computer Science and Engineering

2019 - Present

CGPA at the end of second year (odd semester) – 9.77/10

CGPA at the end of first year – 9.38/10

Indira Gandhi Memorial High School, Kolkata West Bengal
Higher Secondary

CBSE

Overall percentage – 92%

Indira Gandhi Memorial Senior Secondary School, Kolkata
Secondary

ICSE

Overall percentage – 90%

PROJECTS

Study Buddy — *A cross platform app that uses latex to render mathematical equations.(currently underdevelopment)*

Developing with Flutter and Firebase

Uses latex to render mathematical formulae and synchronizes notebooks with multiple devices.

github.com/Alquama00s/study_buddy

BluePhoneBase — *A system of three android apps to administer a cashify like system.*

Made with Flutter and Firebase

The three apps are for consumer, delivery management and database management.

github.com/Alquama00s/bluePhoneBase

Dots & Dashes— *An app that enables an encrypted communication channel offline.*

Made with Flutter

An app that encrypts a secret message with AES algorithm and converts the encrypted message into a bunch of dots and dashes.
